Oder können die Benutzer ein neues Konto erstellen.

A mobile application interface for a login screen. At the top, a status bar shows signal strength, battery level, and the time 02:18 PM. The main content area has a white background. It starts with the word "Welcome" in a green, italicized font. Below this are two input fields: "Username" and "Password", each with a green arrow icon to its right. Under the password field is a checkbox labeled "remember me". A green "Log in" button is positioned below the checkbox. A horizontal line separates this section from the next one, which contains the text "click sign up for new account" followed by a green "Sign up" button.

Create

The image shows a mobile application interface for creating a new account. It features a dark grey header bar with a small white dot in the center. Below the header, the text 'Creating new account' is displayed in a green font. A horizontal line separates the title from the form fields. There are four input fields, each with a label and a right-pointing arrow: 'Username', 'Faculty', 'E-mail', and 'Password'. The 'Password' field is a password input type. A horizontal line is placed below the last input field. At the bottom, there is a green 'Create' button with rounded corners.
